Subject: City of West Palm Beach Opportunity Zone Nomination

Mr. Dodge and Mr. Dinapoli,

Attached is the amended nomination for opportunity zones in the City of West Palm Beach. Our original nominations are being amended due to the extend timeline allowed by Governor Scott and expressed interest by a major local employer. Attached are letters of support for these zones by Mayor Muoio, District Commissioner Kelly Shoaf, and Rybovich Marine Facility.

Please let me know if you require any additional information.

Sincerely,

Chris
